

## **"Can You Feel It" (Victorious)**

(we come in after the first two bars at the end of the brass)

Can you feel it?

Can you feel it?

Can you feel it?

If you look around

The whole world is comin' together now, baby

Can you feel it?

Can you feel it?

Can you feel it?

Feel it in the air

The wind is taking it everywhere, yeah

Can you feel it?

Can you feel it?

Can you feel it?

All the colors of the world should be

Lovin' each other wholeheartedly

Yes, it's all right

Take my message to your brother

And tell him twice

Spread the word and try to teach the man

Who's hating his brother

When hate won't do, ooh

'Cause we're all the same, yes

The blood inside of me is inside of you

Now, tell me

Can you feel it?

Can you feel it?

Can you feel it?

Can you feel it?  
Can you feel it?  
Can you feel it?  
Yeah, yeah, oh

All the children in the world should be  
Loving each other wholeheartedly  
Yes, it's all right  
Take my message to your brother  
And tell him twice

Take the news to the marching men  
Who are killing their brothers  
When death won't do, ooh  
Yes, we're all the same  
Yes, the blood inside of me is inside of you

Now, tell me  
Can you feel it?  
Can you feel it?  
Can you feel it?

Can you feel it?  
Can you feel it?  
Can you feel it?

X 4

## Perfect Strangers

[JP Cooper:]

You were looking at me like you wanted to stay  
When I saw you yesterday  
I'm not wasting your time, I'm not playing no games  
I see you

Who knows the secret tomorrow will hold?  
We don't really need to know  
'Cause you're here with me now, I don't want you to go  
You're here with me now, I don't want you to go

Maybe we're perfect strangers  
Maybe it's not forever  
Maybe the night will change us  
Maybe we'll stay together  
Maybe we'll walk away  
Maybe we'll realize  
We're only human  
Maybe we don't need no reason  
Maybe we're perfect strangers  
Maybe it's not forever  
Maybe the night will change us  
Maybe we'll stay together  
Maybe we'll walk away  
Maybe we'll realize  
We're only human

Maybe we don't need no reason why  
Come on, come on, come over  
Maybe we don't need no reason why  
Come on, come on, come over

No one but you got me feeling this way  
There's so much we can't explain  
Maybe we're helping each other escape

I'm with you

Who knows the secret tomorrow will hold?

We don't really need to know

'Cause you're here with me now, I don't want you to go

You're here with me now, I don't want you to go

Maybe we're perfect strangers

Maybe it's not forever

Maybe the night will change us

Maybe we'll stay together

Maybe we'll walk away

Maybe we'll realize

We're only human

Maybe we don't need no reason

Maybe we're perfect strangers

Maybe it's not forever

Maybe the night will change us

Maybe we'll stay together

Maybe we'll walk away

Maybe we'll realize

We're only human

Maybe we don't need no reason why

Come on, come on, come over

Maybe we don't need no reason why

Come on, come on, come over

Come on, come on, come over

Maybe we don't need no reason why

Come on, come on, come over

**Maybe we don't need no reason why**

## No Roots

I like digging holes and  
Hiding things inside them  
When I grow old, I hope  
I won't forget to find them  
Cause, I've got memories and  
Travel like gypsies in the night

I build a home and wait for  
Someone to tear it down  
Then pack it up in boxes  
Head for the next town running  
Cause, I've got memories and  
Travel like gypsies in the night

And a thousand times I've seen this road  
A thousand times

I've got no roots  
But my home was never on the ground  
I've got no roots  
But my home was never on the ground  
I've got no roo-oo-oo-oo-oo-oo-oots  
I've got no roo-oo-oo-oo-oo-oo-oots

I've got no roots  
But my home was never on the ground  
I've got no roots  
But my home was never on the ground  
I've got no roo-oo-oo-oo-oo-oo-oots  
I've got no roo-oo-oo-oo-oo-oo-oots

I like standing still for  
That's just the wishful plan  
Ask me where I come from  
I'll say a different land

But I've got memories and  
Travel like gypsies in the night

I count gates and numbers  
And play the guessing game  
It's just the place that changes  
The rest is still the same  
But I've got memories and  
Travel like gypsies in the night

And a thousand times I've seen this road  
A thousand times

I've got no roots  
But my home was never on the ground  
I've got no roots  
But my home was never on the ground  
I've got no roo-oo-oo-oo-oo-oo-oots  
I've got no roo-oo-oo-oo-oo-oo-oots

I've got no roots  
But my home was never on the ground  
I've got no roots  
But my home was never on the ground  
I've got no roo-oo-oo-oo-oo-oo-oots  
I've got no roo-oo-oo-oo-oo-oo-oots

I like digging holes, hiding things inside them  
When I grow old, I won't forget to find them  
I like digging holes, hiding things inside them  
When I grow old, I won't forget to find them

I've got no roots!  
No roots!

I've got no roots  
But my home was never on the ground

I've got no roots  
But my home was never on the ground  
I've got no roo-oo-oo-oo-oo-oo-oots  
I've got no roo-oo-oo-oo-oo-oo-oots

I've got no roots  
But my home was never on the ground  
I've got no roots  
But my home was never on the ground  
I've got no roo-oo-oo-oo-oo-oo-oots  
I've got no roo-oo-oo-oo-oo-oo-oots  
No!

## These Days

Solo - Leaving to find my soul  
Told her I had to go  
And I know it ain't pretty  
When our hearts get broke  
Too young to feel this old  
Watching us both turn cold  
Oh, I know it ain't pretty  
When two hearts get broke  
Yeah, I know it ain't pretty  
When two hearts get broke

Solo - I hope someday  
We'll sit down together  
And laugh with each other  
About these days, these days  
All our troubles  
We'll lay to rest  
And we'll wish we could come back to these days  
These days  
These days, these days  
These days, these days

**Oh I know, I know**  
**Oh I know, I know**  
**Oh I know, I know**  
**These days, these days**  
**Oh I know, I know**  
**Oh I know, I know**  
**Oh I know, I know**  
**To these days, these days**

Solo - Three years of ups and downs  
Nothing to show for it now  
And I know it ain't pretty when the fire burns out  
Calling me when I'm drunk

Remind me of what I've done, And I know it ain't pretty  
when you're trying to move on, yeah

Soloists - I hope someday  
We'll sit down together  
And laugh with each other  
About these days, these days  
All our troubles  
We'll lay to rest  
And we'll wish we could come back to these days, these days

**Oh I know, I know**  
**Oh I know, I know**  
**Oh I know, I know**  
**These days, these days x 2**

Soloists:  
Oh I know, I know  
Oh I know, I know  
Oh I know, I know  
These days, these days

**(backing vocals - Oooohhhhh Oooohhhhh)**  
Oh I know, I know  
Oh I know, I know  
Oh I know, I know  
(everyone) To these days, these days

**ALL - I hope someday**  
**We'll sit down together**  
**And laugh with each other**  
**About these days, these days**  
**All our troubles**  
**We'll lay to rest**  
**And we'll wish we could come back to these days, these**  
**days**  
**We'll wish we could come back to these days, these days**

## **Blinded By Your Grace, Pt. 2**

I'm blinded by your grace  
I'm blinded by your grace, by your grace  
I'm blinded by your grace  
I'm blinded by your

**Lord I've been broken  
Although I'm not worthy  
You fixed me, now I'm blinded  
By your grace  
You came and saved me  
Lord I've been broken  
Although I'm not worthy  
You fixed me, now I'm blinded  
By your grace  
You came and saved me**

Soloists - One time for the Lord  
And one time for the cause  
And one round of applause  
One time for Fraser T Smith on the chords  
I feel we got one  
I stay prayed up then I get the job done  
Yeah I'm Abigail's yout, but I'm God's son  
But I'm up now, look at what God's done  
Now I real talk, look at what God did  
On the main stage runnin' 'round topless  
Phone Flipz and I tell him that he got this  
This is God's plan, they can never stop this  
Like... wait right there, can you stop my verse?  
You saved this kid and I'm not your first  
It's not by blood and it's not by birth  
But oh my God what a God I serve

**Lord I've been broken  
Although I'm not worthy**

**You fixed me, now I'm blinded  
By your grace  
You came and saved me  
Lord I've been broken  
Although I'm not worthy  
You fixed me, now I'm blinded  
By your grace  
You came and saved me**

Soloist - I said a prayer this morning  
I prayed I would find the way  
To another day, I was so afraid  
'Til you came and saved  
You came and saved me  
And the rain was pouring  
'Cause the sun faded away  
Now I'm in a better place  
No longer afraid  
Blinded by your grace  
You came and saved me

**ALL - I said a prayer this morning  
I prayed I would find the way  
To another day, I was so afraid  
'Til you came and saved  
You came and saved me  
And the rain was pouring  
'Cause the sun faded away  
Now I'm in a better place  
No longer afraid  
Blinded by your grace  
You came and saved me**

**CHORUS - ALL**

## **Man In The Mirror**

I'm gonna make a change,  
For once in my life  
It's gonna feel real good,  
Gonna make a difference  
Gonna make it right...

As I, turn up the collar on  
My favorite winter coat  
This wind is blowin' my mind  
I see the kids in the street,  
With not enough to eat  
Who am I, to be blind?  
Pretending not to see their need  
A summer's disregard,  
A broken bottle top  
And a one man's soul  
They follow each other on  
The wind you know  
'Cause they got nowhere to go  
That's why I want you to know

I'm starting with the man in the mirror  
I'm asking him to change his ways  
And no message could have been any clearer  
If you wanna make the world a better place  
Take a look at yourself, and then make a change  
(Na na na, na na na, na na, na nah)

I've been a victim of  
A selfish kind of love  
It's time that I realize  
There are some with no home,  
Not a nickel to loan  
Could it be really me,  
Pretending that they're not alone?

A willow deeply scarred,  
Somebody's broken heart  
And a washed-out dream  
(A washed-out dream)  
They follow the pattern of  
The wind, you see  
Cause they got no place to be  
That's why I'm starting with me

I'm starting with the man in the mirror  
I'm asking him to change his ways  
And no message could have been any clearer  
If you wanna make the world a better place  
Take a look at yourself and then make a change

I'm starting with the man in the mirror  
I'm asking him to change his ways  
And no message could have been any clearer  
If you wanna make the world a better place  
Take a look at yourself and then make that...  
**Change!**

**I'm starting with the man in the mirror,  
(Oh yeah!)  
I'm asking him to change his ways  
No message could have been any clearer  
(If you wanna make the world a better place  
Take a look at yourself and then make the change  
You gotta get it right, while you got the time  
Don't you close your, your mind!**

**Im Starting with the man in the mirror  
(Oh yeah!)  
I'm asking him to change  
No message could have been any clearer  
If you wanna make the world a better place  
Take a look at yourself and then make a change**

**Na na na, na na na, na na, na nah  
(Oh yeah!)  
Na na na, na na na, na na, na nah**

**I'm gonna make a change  
For once in my life**

**I'm gonna make a change  
For once in my life...**

## **I'll Be There**

When all the tears are rolling down your face  
And it feels like yours was the only heart to break  
When you come back home and all the lights are out, ooh  
And you getting used to no one else being around

Oh, oh, I'll be there  
When you need a little love, I got a little love to share  
Yeah, I'm gonna, I'm gonna, I'm gonna come through  
You'll never be alone, I'll be there for you  
I'll be there, I'll be there for you  
I'll be there, I'll be there for you  
Oh, I swear, I got enough love for two, ooh, ooh, ooh  
You'll never be alone, I'll be there for you

When it's Friday night and the drink don't work the same  
You're alone with yourself and there's no one else to blame  
When you still can't feel the rhythm of your heart  
And you see your spirit fading in the dark

Oh, oh, I'll be there  
When you need a little love, I got a little love to share  
Yeah, I'm gonna, I'm gonna, I'm gonna come through  
You'll never be alone, I'll be there for you  
I'll be there, I'll be there for you  
I'll be there, I'll be there for you  
Oh, I swear, I got enough love for two, ooh, ooh, ooh  
You'll never be alone, I'll be there for you

When you're lost down the river bed, I'll be there  
When you're lost in the darkness, I'll be there  
I'll be there when your heart is breaking  
You'll never be alone, I'll be there for you  
I'll be there

I'll be there, I'll be there for you (I'll be there)

I'll be there, I'll be there for you (ooh, ooh, I'll be there)  
Oh, I swear, I got enough love for two, ooh, ooh, ooh  
You'll never be alone, I'll be there for you, oh  
I'll be there, I'll be there for you  
(I'll be there when your tears are falling)  
I'll be there, I'll be there for you  
(I'll be there, can't you hear me calling?)  
Oh, I swear, I got enough love for two, ooh, ooh, ooh  
(I'll be there when your heart is breaking)  
You'll never be alone, I'll be there for you, ooh

I'll be there for you, ooh  
I'll be there for you, ooh  
You'll never be alone, I'll be there for you  
I'll be there for you, ooh  
I'll be there for you, ooh  
You'll never be alone, I'll be there for you

## Not Letting Go

Yes, ah, yo

Yeah, ready for the summer, girl, your hair looks killa  
See your batty getting bigger but your waist looks slimmer  
And I hope I'm still with you when your hair get thinner  
I ain't gotta work it out, I know I'm onto a winner  
And I love it when I see you sing a song in the mirror  
When you play your favourite records where there ain't no  
filler

Chicky-cha, chicky-chicky-cha, Sade, J Dilla  
Now I'm on the right track, from the train to the limo  
Now we're on the right track (**right track**), yeah  
Used to know me back in college, now I got it like that  
Could have got the side track, now I'm back on my feet  
If I hadn't achieved, would you pack up and leave?  
Now you scratchin' on me like we're Adam and Eve  
Playing remix to Ignition in the back of the Jeep, ah  
She like the hook but she don't know the verse  
She know I love her even if I never say the words

**You were something I can't replace  
You made my heart work  
You make me stronger  
I'm not letting go, I'm not letting go  
You were something I can't replace  
You made my heart work  
You make me stronger  
I'm not letting go, I'm not letting go**

**Oh oh oh oh oh oh, oh oh oh oh oh oh  
Oh oh oh oh oh oh  
I'm not letting go, I'm not letting go  
Oh oh oh oh oh oh, oh oh oh oh oh oh  
Oh oh oh oh oh oh  
I'm not letting go, I'm not letting go**

Livin' in a bubble, we ain't struggling in life  
Ready for your trouble and a couple of fights  
Why don't you stay over here and keep me up in the night  
And when you comin' in here, I'll do you just like you like  
Girl I'm ready for your loving, girl I keep on falling  
You my lucky number that I keep on calling  
Wanna never let me go, she said she fed up of touring  
Because I kiss her in the night and then I leave in the  
morning  
I tell her one, already know she the one  
She's 22, we in Le Fountain Blu  
And when she's free, you know she call on me  
And then I make her take it off and pull it all on me  
Playing in the sheets, don't sleep tonight  
Playing R. Kelly "I Believe I Can Fly", yeah  
She like the hook but she don't know the verse  
She know I love her even if I never say the words

**You were something I can't replace  
You made my heart work  
You make me stronger  
I'm not letting go, I'm not letting go  
You were something I can't replace  
You made my heart work  
You make me stronger  
I'm not letting go, I'm not letting go**

**Oh oh oh oh oh oh, oh oh oh oh oh oh  
Oh oh oh oh oh oh  
I'm not letting go, I'm not letting go  
Oh oh oh oh oh oh, oh oh oh oh oh oh  
Oh oh oh oh oh oh  
I'm not letting go, I'm not letting go**

Oi my size, I see you're quite shy  
Guess I'm a sucker for those nice eyes  
I ain't in it for the money or the fame

I'm the one that all the honeys couldn't tame, yo I change

**You make my heart work, you make me stronger  
This thing we have, it can't be bought or sold, no**

**You were something I can't replace  
You made my heart work  
You make me stronger  
I'm not letting go, I'm not letting go  
You were something I can't replace  
You made my heart work  
You make me stronger  
I'm not letting go, I'm not letting go**

**Oh oh oh oh oh oh, oh oh oh oh oh oh  
Oh oh oh oh oh oh  
I'm not letting go, I'm not letting go  
Oh oh oh oh oh oh, oh oh oh oh oh oh  
Oh oh oh oh oh oh  
I'm not letting go, I'm not letting go**

## **Came Here For Love**

I'm no longer broken hearted  
So glad I came here tonight  
And I see you got what I wanted  
Baby, you got what I like

I can see that you watching me  
Come over, talk to me  
Need you to give me a sign  
You got that something sweet  
That don't come easily  
It's what I need tonight

I came here for love  
For someone to hold me down  
I won't give it up, no  
I want you to reach out

I came here for love  
I came here for love  
I came here for love  
I want you to reach out

I'm so ready to get on it  
You follow me, you'll be fine  
And I'm in too deep  
Have I fallen, without anyone inside

I can see that you watching me  
Come over, talk to me  
Need you to give me a sign  
You got that something sweet  
That don't come easily  
It's what I need tonight

I came here for love  
For someone to hold me down  
I won't give it up, no  
I want you to reach out

I came here for love  
I came here for love  
I want you to reach out

This is what we came here for  
We came here for love  
I won't give, I won't give it up  
This is what we came here for  
We came here for love  
I know this, I know it's enough  
This is what we came here for  
We came here for love  
I won't give, I won't give it up  
This is what we came here for  
We came here for love  
I want you to reach out

I came here for love  
For someone to hold me down  
I won't give it up, no  
I want you to reach out

I came here for love  
I came here for love  
I want you to reach out

## "Can't Hold Us"

Ay, ay, ay  
Good to see you, come on in, let's go  
Yeah, let's go  
Alright, alright  
OK, uh, alright, OK  
Alright, OK

Return of the Mack, get up!  
What it is, what it does, what it is, what it isn't.  
Looking for a better way to get up out of bed  
Instead of getting on the Internet and checking a new hit me.  
Get up! Thrift shop, pimp strut walking, little bit of humble,  
little bit of cautious  
Somewhere between like Rocky and Cosby. Sweater game,  
nope, nope y'all can't copy  
Yup. Bad, moon walking, this here is our party, my posse's  
been on Broadway,  
And we did it our way.  
Grown music, I shed my skin and put my bones into  
everything I record to it  
And yet I'm on...  
Let that stage light go and shine on down,  
Got that Bob Barker suit game and plinko in my style.  
Money, stay on my craft and stick around for those pounds,  
But I do that to pass the torch and put on for my town  
Trust me. On my I-N-D-E-P-E-N-D-E-N-T shit hustler,  
Chasing dreams since I was fourteen with the four track  
bussing  
Halfway cross that city with the backpack, fat cat, crush shit.

Labels out here,  
Nah, they can't tell me nothing  
We give that to the people,  
Spread it across the country  
Labels out here,

Nah, they can't tell me nothing  
We give it to the people,  
Spread it across the country

Can we go back? This is the moment  
Tonight is the night, we'll fight 'til it's over  
So we put our hands up like the ceiling can't hold us  
Like the ceiling can't hold us  
Can we go back? This is the moment  
Tonight is the night, we'll fight 'til it's over  
So we put our hands up like the ceiling can't hold us  
Like the ceiling can't hold us

Nah, can I kick it? Thank you. Yeah I'm so damn grateful.  
I grew up, really wanted gold fronts  
But that's what you get when Wu-Tang raised you  
Y'all can't stop me, go hard like I got an 808 in my heart beat  
And I'm eating at the beat like you give a little speed to a  
great white shark on shark week  
Raw. Tell me go up. Gone!  
Deuces goodbye. I got a world to see, and my girl she wanna  
see Rome,  
Caesar'll make you a believer. Nah I never ever did it for a  
throne.  
That validation comes from giving it back to the people. Nah  
sing this song and it goes like  
"Raise those hands, this is our party  
We came here to live life like nobody was watching"  
I got my city right behind me  
If I fall, they got me. Learn from that failure gain humility  
and then we keep marching ourselves

Can we go back? This is the moment  
Tonight is the night, we'll fight 'til it's over  
So we put our hands up like the ceiling can't hold us  
Like the ceiling can't hold us  
Can we go back? This is the moment

Tonight is the night, we'll fight 'til it's over  
So we put our hands up like the ceiling can't hold us  
Like the ceiling can't hold us

And so we put our hands up  
And so we put our hands up

Wa oh oh oh wa oh oh oh wa oh oh  
Let's go!

Na na na na na na na na (aha)  
Hey  
And all my people say

Na na na na na na na na (that's right, feels good)  
Hey  
And all my people say

Na na na na na na na na (it's alright)  
(Oh oh oh oh oh oh oh oh)  
And all my people say

Na na na na na na na na  
Mack-le-le-le-le-le-more...

Can we go back? This is the moment  
Tonight is the night, we'll fight 'til it's over  
So we put our hands up like the ceiling can't hold us  
Like the ceiling can't hold us  
Can we go back? This is the moment  
Tonight is the night, we'll fight 'til it's over  
So we put our hands up like the ceiling can't hold us  
Like the ceiling can't hold us.
